

## PORTABLE ARMOR TECHNOLOGIES, LLC

August 18, 2008

FOR IMMEDIATE RELEASE

Portable Armor Technologies, LLC works with the DOD to expose fraudulent military ID's.

Portable Armor Technologies helped the DOD (Department of Defense) to expose a suspect impersonating as a US Government Employee. The suspect used a variety of fraudulent military ID's in an attempt to purchase a large number of The Armored Seats™. Through great efforts on all parties involved the suspect was arrested on multiple charges.

Portable Armor Technologies wishes to thank the DOD and other Law Enforcement agencies for their extensive cooperation in the successful apprehension of the suspect.

Sincerely,

Jeff Peabody  
President
